

IMPROVE YOUR A-2 WEEKEND WITH DON MOGER

Sept. 28 & 29, 2019

There is another dance on the same weekend. Please support this weekend as you have done in the past or it could disappear. There is no reason to operate on the same weekend. This weekend has been running for 7 years. Please show us your support and once again have an enjoyable time practicing the A2 level.

CENTRE CHARLES - EMILE CLAUDE
146-B AVENUE CHEVRIER
CORNWALL, ONTARIO, K6H 1S1

This weekend will teach many positions that are used at A2 dance weekends. These different starting formations will be taught and explained so that every dancer will get the opportunity to practice and begin to feel comfortable dancing them. This weekend is a great way to improve your knowledge about square dancing and as usual, it will be a fun way to spend the weekend meeting others who are coming for the same reason.
